

LEARNING MANAGEMENT SYSTEM (LMS) ADD/REVIEW A CAN ON AN ORDER – AAO

This QRG will guide Additional Approver for Orders (AAO) through the task of adding or reviewing the CAN number on a training order. When approving training orders in the LMS, the order must contain a valid CAN to ensure the proper obligation of funds in NBS.

A report named Registrations Pending My Approval is available to allow you to identify pending orders with CANs that require modification. For instructions on running this report, see the following LMS tip sheet, [TS77-S: Running the Registrations Needing My Approval Report](#).

1. Log on to the LMS.
2. Select the **Admin** icon.
